

REALTOR® Membership Investment Schedule

By becoming a REALTOR®, membership is required at local, state, and national association levels:

- Local Association – NEXUS Association of REALTORS® (NEXUS)
- State Association – New Jersey Association REALTORS® (NJR)
- National Association – National Association of REALTORS® (NAR)

Each level provides unique benefits, advocacy, education, and resources to support your success in the real estate profession. When you join, you'll pay dues that cover all three associations. These dues are collected by the NEXUS Association of REALTORS® (or your local REALTOR® Association) and distributed accordingly.
